

Mayor's Corner

At the beginning of each year, the Tigard City Council establishes its goals for the coming year. The Council goals for 2002 are:

1. Transportation – Explore funding sources, work with appropriate agencies for better services and facilities.
2. Parks and Recreation – Complete park master plans; support youth activities.
3. Downtown – Plan for commuter rail station; review zoning standards; work on a redevelopment plan.
4. Water – Evaluate options for a long-term water supply.
5. Growth Management – Evaluate the Bull Mountain Study; support affordable housing.
6. Library – Council members will individually support the library construction bond.
7. Communication – meet with partner jurisdictions; improve communication methods with Tigard citizens.

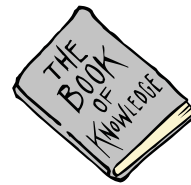

For more details about the City Council's 2002 goals, please go to the City's web site: www.ci.tigard.or.us.

Jim Griffith, Mayor

The proposed new Tigard library - want to know more?

Here are some ways to find out more about the proposed new library and Bond Measure 34-47.

- Attend the community meeting on March 5, in the Tigard City Hall at 7 p.m. Share your ideas on how to design the area surrounding the site of the proposed new library at Hall Blvd. and O'Mara St.
- Visit the Library page on the City's web site at www.ci.tigard.or.us, where you can find project updates and a "Question of the Week" feature.
- Come to the Library and pick up brochures, Q&A fliers, displays and bookmarks with information

about both the current and proposed libraries.

- Tune into a program about the Tigard Library. The show will air March 12 at 7 p.m., on cable channel 22, and March 14 at 6:30 p.m. and 12:30 a.m., and March 15 at 9:30 a.m., 6:30 p.m. and 12:30 a.m. on channel 21.
- Do you want to talk with your neighbors about the proposed new Tigard library? Meetings can be held in your home or a nearby community center. Call the Tigard Public Library at 503-684-6537 and ask for Margaret Barnes or Paula Walker. The Library can help you arrange a neighborhood meeting. Let's talk!

Broadway Rose Theater season tickets on sale now

The Broadway Rose Theatre Company kicks off its 11th summer season on June 28, 2002 with three light-hearted, funny productions.

The Will Rogers Follies opens the summer season. This lavish musical is an all-singing, all-dancing, all-out night at the follies and will run June 28-July 14.

The season's second show will be *Flaming Idiots* by American playwright Tom Rooney. This zany comedy is about two burned out postal workers who open a restaurant to get rich quick. *Flaming Idiots* was the co-winner of the 1992 New American Comedy Festival. The show will run July 18-August 4.

Forever Plaid, will close the season and is a whimsical salute to the "guy groups" of the '50s and '60s. Musical numbers include "Heart and Soul" and "Chain Gang." *Forever Plaid* runs August 8-18.

Performances will be at The Deb Fennell Auditorium, 9000 SW Durham Road, Tigard. Season tickets are now available. Adults - \$45.00, Seniors and Students - \$39.00, Children 12 and under - \$25.00. Tickets may be purchased by calling The Broadway Rose box office 503-620-5262 or online at www.bwayrose.com.

Skateboard Park Task Force update

The Skateboard Park Task Force is making progress. On January 15, Task Force Chairman Rich Carlson and several Task Force members requested City Council allocate up to \$20,000 to assist in preparation of a skateboard park design. The Council agreed to proceed with the Task Force's request and instructed staff to seek a consultant for the skateboard park design.

As part of the design process, the Task Force will be provided with a cost estimate for the project. This will assist the Finance Subcommittee in establishing fundraising goals. In the meantime, this subcommittee is identifying fundraising activities, developing a logo and creating a youth board.

Members of the Design Subcommittee are contacting consultants to identify the best designer to work on the project. Young people were asked to draw sketches of what they think the facility should look like. These sketches will be made available to the designer selected to work with the Task Force.

The Site Selection Subcommittee is in the process of identifying vacant public or private property within Tigard city limits for a potential park location.

Here is a schedule of upcoming meetings:

Design Subcommittee, February 7, 7 p.m., Tualatin Valley Fire & Rescue Station, 8935 SW Burnham Road

Combined Site Location/ Finance Subcommittees, February 13, 7 p.m., Tualatin Valley Fire & Rescue Station, 8935 SW Burnham Road

All Membership General Task Force Committee, February 20, 7 p.m., Tigard City Hall, 13125 SW Hall Boulevard

Meeting locations, dates and times are posted on the City's web site: www.ci.tigard.or.us. If you have any questions please call Rich Carlson, Task Force Chairman, 503-224-0871 or Dan Plaza, Parks Manager, 503-639-4171, ext. 399.

Congratulations to Xiaohong Lu, our Employee of the Month for February 2002!

Xiaohong has worked at the Tigard Library as a Library Assistant since August of 1996. Xiaohong is recognized by her department for her excellent customer service and hard work. She can be counted on to pitch in and help with any project given to the Circulation Division, especially when it involves computers, an area where she has training and expertise. In fact she is known as the "computer guru" and a "trouble shooter" for the department! Xiaohong maintains a "can do" attitude that is appreciated by the Library staff. She applies her creativity to publicity activities related to Library programs. Xiaohong lightens Circulation's workload with her sense of humor...another attribute that the Library Department appreciates. Thank you, Xiaohong, for your excellent public service and congratulations to you this month!

Adopt-A-Path volunteers needed

Volunteers in the Adopt-A-Path program do basic pruning, pick up litter, and report problems such as illegal dumping, erosion, and hazardous trees. When volunteers take on these year-round tasks, parks staff are able to devote more of their time and attention to the heavier and more complex park projects. Parks Supervisor Steve Martin has declared the Adopt-A-Path program a success, and is looking for more groups interested in "adopting" paths.

Volunteers have already "adopted" these paths:

- Fanno Creek Park path (Suzanne Sullivan, Jody Wilson and Christene Hurlbutt)
- 108th Path (J. Davies /John L Scott Realtors)
- Genesis Loop (Chown family and neighbors)
- Pathfinder Trail (Combs-Lantz family and B. Christopherson)
- Terrace Trails (Grover family and neighbors)
- Woodard Park Trail (Tolliver family)

Would you like to adopt one of these paths?

- Englewood Park North Path, on the east side of the park, from Scholls Ferry Road to Windsor Place
- Englewood Park West Path, on the west side of the park, from Scholls Ferry Road to Boxwood Court
- Tigard Street Path from Windsor Place to Tigard Street
- Fowler Path from Tigard Street to Tiedeman Street
- Scheckla Path from 89th Avenue to 88th Avenue

Interested in keeping Tigard's paths in tip-top shape? For more information, or to adopt a path, please contact City of Tigard Volunteer Coordinator, Susan Koepping at susank@ci.tigard.or.us or 503-639-4171, ext. 460.

Book Club reads Eudora Welty

In celebration of the life of one of the leading voices in American letters, the book club has selected Welty's first book *A Curtain of Green and other Stories*. Originally published in 1941, "these stories reflect the writer's artistry at its luminous peak." Read the book and join the discussion, Tuesday, March 12, 7 to 9 p.m. in the Puett Room. New members are always welcome.

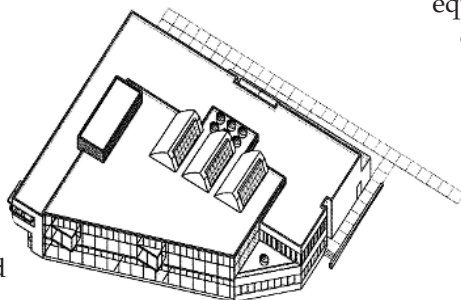

The numbers are in!

What do these numbers have to do with the proposed new Tigard Public Library?

34-47, 13 million, 31, 62, 21

You may have heard a lot of numbers related to the Tigard Public Library lately. As is often the case, too many numbers can easily become a jumble in people's minds. Here's a way to keep track of those numbers.

- 34-47 is the number of the bond measure for funding the proposed new library. It will be on the May ballot.
- 13 million is the number of dollars that would be raised by the bond measure. If approved, Measure 34-47 authorizes the City to issue \$13 million in general obligation bonds. The bonds would be repaid through property taxes.

- 31 is the number of cents per \$1,000 of property value that would constitute the initial tax rate to repay the bonds. The rate is expected to decrease over the 20-year repayment period.
- 62 is the additional number of property tax dollars per year that the owner of a \$200,000 Tigard home would pay to help fund the proposed new library if the bond measure passes. That equals the average cost of two new hardback books and two economy tickets to the movies.
- 21 represents May 21—the date by which ballots are due for the bond measure election.

For more information on the proposed new library, check out the library's web page at www.ci.tigard.or.us.

New off-leash dog park

Coe Manufacturing has agreed to an easement allowing the City to use a four-acre site near Hunziker Street for an off-leash dog park. The Dog Park will be named "Potso Dog Park," in honor of Coe Manufacturing's "first dog!"

The Dog Park Committee held a site design meeting on January 7. Discussion focused on perimeter fencing and gates, entry area, sign-

age, furnishings (picnic tables and benches), parking, an interior perimeter path, small interior fenced area for little dogs and puppies, dog drinking area and landscaping. Construction is scheduled to begin April 1 and the park is slated to open on July 1.

For more information contact Dan Plaza, Parks Manager, at daniel@ci.tigard.or.us or 503-639-4171, ext. 399.

Volunteers needed to plant trees at Englewood Park

The Fans of Fanno Creek will be planting 600 willows and dogwoods at the 11th Annual Tree Planting Fest in Englewood Park on March 2, from 9:00am until noon. If you would like to help, bring a shovel and wear your gloves and boots – it's likely to be wet. The planting site will be on the eastside of Fanno Creek this year. Take Nimbus Avenue off Scholls Ferry Road to the sign-in area. For more information or to sign up to help, contact Jay Watson at jwatson@easystreet.com or 503-579-4952. See the Fans of Fanno Creek web site www.fansoffannocreek.org for current information about the Fanno Creek watershed.

Avoid becoming a victim of identity theft!

Did you know that most cases of identity theft begin with mail theft? Following are some tips on how to protect your mail:

- * Make it difficult for thieves to steal your valuable mail! Never mail cash — use checks, money orders or pay-by-phone methods to pay bills. Make sure your mailbox is secured and in good condition. Promptly remove mail after it is delivered.
- * If you will be away, ask a neighbor or friend to pick up your mail or ask the post office to hold your mail until you return.
- * If you do not receive checks or credit cards when expected, notify the issuing organization promptly.
- * If you are planning to move, be timely and fill out change-of-address forms so your mail service will not lag.
- * Deposit your mail in a Postal Service mail collection box or mail slot at a post office. NEVER place your outgoing mail in an unprotected or unlockable mailbox.
- * Consider starting a "Neighborhood Watch" in your area. By exchanging work and vacation schedules with trusted neighbors and friends, you can watch each other's mailboxes and homes. If you observe anyone loitering around a mailbox or any other suspicious activity, call the police immediately. In Washington County, the "non-emergency" telephone number is 503-629-0111.

For further information, contact the Crime Prevention Officer at the Tigard Police Department at 27047@ci.tigard.or.us or 503-684-4997, ext. 220. Information is also available on the City's web site: www.ci.tigard.or.us (select Tigard Police, then look for the "Crime Prevention" menu.)

City staff periodically provides advance notice of potential subdivisions being contemplated in Tigard or its Urban Growth Area. Plans are in preliminary stages and are based on pre-application conferences with the City of Tigard. **Plans have not been finalized.** It is possible that development will not occur immediately. If the applicant goes forward with the project, a neighborhood meeting will be scheduled by the developer/applicant prior to a formal application being made with the City. Notice of the meeting is sent to property owners within 500 feet of the proposed development. If you have any questions on a project, please call 503-639-4171 to reach the appropriate city staff member.

Rainwater harvesting

Have you ever considered collecting and storing rainwater for reuse? "Rainwater harvesting" is the capture and storage of rainwater for landscape watering and is a great way to conserve water.

Usually water is collected from roofs, but driveways, parking lots, patios and sidewalks can be graded or fitted with drainpipes to collect runoff. If you want to collect rain from your roof, place the end of a downspout into a barrel to collect runoff. Once collected, the rainwater can be drawn from the barrel by attaching a spigot and garden hose. As a safety precaution, cover all rain barrels to prevent children and animals from falling in and to keep leaves, bugs and other debris out.

Where can you find a rain barrel? Contact a garden center to see if they carry them. Commercial rain barrels are usually made of plastic, hold about 75 gallons and cost \$50-125. If you don't want to spend that much money, almost any container can store water: cisterns, barrels, drums or storage tanks. A plastic barrel previously used for storage or shipping works great.

For more information, contact Water Conservation Coordinator, Sara Danz at sara@ci.tigard.or.us or 503-639-4171, ext. 346 or email.

Home Fire Escape Plan

Many people believe that it takes 10 minutes for a fire to become life threatening. The truth is, it can take less than three minutes for fire to block your escape routes, creating a deadly situation! Prepare now by developing a home fire escape plan. Draw your home, showing all rooms and two escape routes. Include an outside meeting place and practice your plan at least once a year.
